What are Good Food Bucks?

Good Food Bucks help make fruits and vegetables more affordable for Families First customers. When a customer uses Families First at a participating farmers' market or other store to buy fruits and vegetables, the store gives the customer Good Food Bucks so they can buy even more fresh fruits and vegetables.

What is the Good Food Buck Ambassador Program?

The Good Food Buck Ambassador program connects Families First customers with the tools and information they need to find affordable fruits and vegetables in their communities.

What does a Good Food Buck Ambassador Do?

Good Food Buck Ambassadors meet with community organizations, neighborhood leaders, and local residents to share and gather information on behalf of the Good Food Bucks Program and City Green. Good Food Buck Ambassadors:

- Set up and host a Welcome Table to share information at local fresh-food markets including small and mid-size supermarkets and farmer's markets.
- Invite first-time customers to visit and use benefits on healthy foods.
- Give presentations to audience members at partner organizations.
- Set up information tables at partner organizations.
- Survey participants on the Good Food Bucks program

Who can be a Good Food Buck Ambassador?
