

SNAP (Supplemental Nutrition Assistance Program)

WHAT IS SNAP?

New Jersey's Supplemental Nutrition Assistance Program, NJ SNAP, provides food assistance to families with low incomes to help them buy groceries through a benefits card accepted in most food retail stores and some farmers markets. Eligibility is set by several factors, such as income and resources. You can use SNAP benefits to stretch your food budget and buy nutritious foods that can keep you and your family healthy.

ARE YOU ELIGIBLE?

Eligibility depends on several factors like income, household size, resources, etc. This chart (see right) can help you figure out what is the maximum income allowed according to your household size. If the monthly income for your household size is less than or equal to the number in the chart, you may qualify for SNAP benefits and should fill out an application.

Visit <https://njfc.force.com/njhelps> and use the online screening tool to help determine if you might qualify for SNAP benefits.
